THE GLORNEY-RAISBECK FELLOWSHIP IN THE MEDICAL SCIENCES

The Glorney-Raisbeck Fellowship in the Medical Sciences for the academic year beginning July 1, 1966 will be awarded by the Committee on Medical Education of The New York Academy of Medicine for one year of research and/or study in any field of medicine or its allied sciences. Under circumstances deemed appropriate by the Committee, the Fellowship is renewable on a year-to-year basis for two additional years.

The Fellowship, which carries a stipend of \$7,500, is open to holders of the M.D. degree who have demonstrated potential for productivity in research and teaching, and only to physicians from the New York area and adjacent states who can make themselves available for interview by the Committee on Awards.

A candidate should be prepared to give assurance that he will have an institutional appointment which will enable him to carry out the objectives of his program of research and/or study. Such institutions will be encouraged to supplement the Fellowship stipend.

Deadline for receipt of applications is *November 1, 1965*.

Requests for application forms should be addressed to:

AIMS C. MCGUINNESS, M.D.
Executive Secretary
Committee on Medical Education
The New York Academy of Medicine
2 East 103 Street, New York, N. Y. 10029

NOTICE TO FELLOWS PLANNING TO VISIT ENGLAND

Fellows of the Academy are reminded that reciprocity exists between the Royal Society of Medicine, 1 Wimpole Street, London, England, and the Academy.

The members of each group are cordially invited to avail themselves of the hospitality and assistance of the other institution. Fellows of the Academy of Medicine who plan to visit London are urged to take advantage of this arrangement, and letters of introduction may be secured on request from the Director of the Academy.

In addition, Fellows of the Academy who are interested in becoming "affiliate members" of the Royal Society of Medicine may obtain appropriate application forms from the Executive Secretary, Committee on Medical Education, The New York Academy of Medicine.

Bowen-Brooks Scholarship For Advanced Study Abroad

In the current year the Committee on Medical Education will award *one* scholarship grant in the amount of \$5,200.00 for the *academic year 1966-1967*.

This Scholarship was established by the donor to provide aid for advanced study abroad in a clinical subject in preparation for the practice of medicine or surgery in any of their branches.

As stipulated by the donor of the fund, candidates must be *male* interns or residents in voluntary, municipal or Veterans Administration hospitals in New York City.

The course of study, the auspices under which it is to be taken and the place or places where the study is to be pursued must receive the approval of the Committee. Applicants are favored who, from their records, show themselves capable of advanced work in clinical medicine. The Committee stipulates that the study be pursued abroad, preferably in Great Britain or in continental Europe.

Applications for this Scholarship must be submitted by *November 1, 1965*.

Candidates may secure application forms by addressing:

AIMS C. McGUINNESS, M.D.
Executive Secretary
Committee on Medical Education
The New York Academy of Medicine
